"I know you love me but I love someone else...Ashfur I'm sorry but my place is with Bramleclaw" Squirrelflight frowned looking at a brokenhearted Ashfur. His ears were fully flattened his eyes darkened. "B...but" Ashfur choked with a sob. "

"I'm sorry Ashfur..." Squirrelflight mewed as she walked into the warriors den curling up right besides Bramleclaw who had heard everything.

"But I love you...." Ashfur mewed to himself as more tears has rushed down his face.

After an hour went by

Why?! Why cant she love me I love her why! i'm such a fool... Ashfur said to himself in his head while he had curled up by himself picturing him with Squirrelflight if she had loved him...He soon dozed off. But woke up 2 hours later by someone nudging him, was it Squirrelflight did she want him back now!

Ashfur lifted up him head in disappointment, it was just Cloudtail.

"Your on Dawn patrol remember, best hurry up Bramleclaw and Birchpaw are waiting!" meowed Cloudtail to Ashfur before Firestar walked off to assigned more patrols

"Ofcourse it has Bramleclaw to be on the patrol!" Ashfur muttered to himself angry as he padded out of the tunnel with Cloudtail, Bramleclaw and Birchpaw be hide him.

Bramleclaw looked around while smelling the northwestern part of their territory. "I think w-" Bramleclaw said he cut it off, Cloudtail and Ashfur smelled the scent mark. Birchpaws claws unleashed into the dirt. "Shadowclan..." Birchpaw meowed not knowing what to do.

Shadowclan! they are trying to take are territory!" Cloudtail while his tail was flickering with anger.

"There's a Shadowclan patrol there!" Ashfur Growled pointing at the patrol angry.

Bramleclaw raced to the Shadowclan patrol with Ashfur, Cloudtail and Birchpaw.

"Hey! Russfur what's going on, we already agreed !" Bramleclaw snapped at Russfur.

Russfur turned around faster then a fox. "Well we need it more and to feed us, plus your clans mouths don't stay shut as we know Thunderclans to WEAK to fight us after that badger attack" Russfur spat as her patrol all unleashed their claws ready to fight.

Cloudtail snarled at Oakfur but Oakfur barked his teeth to snap at

Cloudtails leg with Cloudtail who yapped.

The battle has begun

"Birchpaw go tell Firestar Shadowclans here to take territory we need warriors now!" Bramleclaw quickly meowed to Birchpaw then Bramleclaw turned around but Russfur ran into Bramleclaw knocking him over but he shot up quickly lashing at her back, then bit into her leg.

Rownclaw jump onto Ashfur but Ashfur rolled away, raking his hind paws down Rownclaws flake. Rownclaw growled biting hard into Ashfurs shoulder. Ashfur yowled in pain. Cloudtail kicked Oakfur off of him running to help Ashfur Cloudtail snarled as he raked his claws onto Rownclaws fur, Rownclaw shot back in pain but he wasn't giving up yet. Oakfur went to claw Cloudtail but was stopped by Ashfur who clawed his face then knocking him into a tree while pinning him

Behind them Bramleclaw was rolling on the ground with Russfur, swiping at Russfurs face but missed as Russfur clawed Bramleclaws side neck. "Your never win!" Russfur growled pinning down Bramleclaw with a grin but "Yes we will!" Firestar yowled with anger as more warriors showed up . Firestar leaped onto Russfur swiping at her side then kicked her onto the ground pinning her, Russfur raked her hind paws on Firestar's belly making her jump off, then bit his tail so hard he had lost balance and meet with the ground. But Firestar got up and bit her throat.

Russfur looked around "*were losing! "* Russfur said in her head. Russfur back away from Firestar in defeat.

"This is Thunderclans territory!" Firestar yowled with anger.

Russfur looked around all of her warriors were tiered and injured. "Shadowclan! RETREAT!" Russfur yowled, Firestar watched eyeing every single one till they were all gone racing back into Shadowclans territory, Russfur was bleeding by the throat while the other Shadowclan warriors where limping and in pain.

"That will show them" Cloudtail spat.

"Are you ok?!" Squirrelflight meowed worried running in Ashfurs direction.

"I'm ok dear" Bramleclaw nuzzled Squirrelflight.

"I was so worried!" Squirrelflight meowed licking Bramleclaws forehead.

Ferncloud looked around to find her brother but when she did he seen a bleeding and sad Ashfur. She noticed he was looking at Bramleclaw and Squirrelflight... "Its ok Ashfur" Ferncloud meowed softly.

Ashfur flattened his ears "No nothings ever ok..." Ashfur mewed as he walked off with his tail tucked underneath him. Ashfur walked into camp, the cats where looking at Ashfur but then they raced to Bramleclaw and Firestar.

Ashfur padded into the empty warriors den is was dark and quiet, he layed down in the darkest and farthest corner in the den.

Why cant she love me?... Ashfur mewed with tears running down his face

Ferncloud padded into the warriors den. She felt hurt to see her brother so sad.

" oh Ashfur..."Ferncloud mewed as she trotted to Ashfur, laying next to him. Ashfur put his head onto Ferncloud's front paws.

"Its ok...you can find someone else" Ferncloud tried to comfort her brother.

Ashfur was quiet he closed his eyes, tears were coming out of his eyes but slowly. Ashfur had soon stopped crying and dozed off a

few minutes later.

"Goodnight Ashfur" Ferncloud mewed as she got up and sat up looking at the midnight sky,

Ashfur opened his eyes he looked up to see Squirrelflight and Bramleclaw outside of the den.

What are they up to? Ashfur wondered walking out of the den, the sun was shining onto Ashfurs pelt turning it into the lightest gray color he seen, he couldn't really see because it was shining so bright. Squirrelflight and Bramleclaw sitting next to each other. Ashfur had seen Bramleclaw looking at him more then once.

Bramleclaw bit his lip while looking annoyed by Ashfurs appearance. Bramleclaw let of a meow/hiss. "I'm going to talk to Ashfur dear". Bramleclaw nudged Squirrelflight then walked out of the camps tunnel not wanting Ashfur to notice he was being followed, but it failed when the brambles were caught in his fur. Ashfur turned around but saw no one so he kept on going.

Ashfur soon stopped at his mothers grave right near the river, the sun was shinning onto the dirt making it a coffee color

Bramleclaw soon appeared "So...Ashfur how does it feel....to lose the one you loved the most *h*" Bramleclaw cackled with a grin walking back and forth behind him waiting for him to turn around. Ashfur was still staring at the river that was now going faster and faster every time Ashfur grew more angry, enraged his claws soon unshed, Ashfur had lower his eyes

"Your just like your father your evil and a tradior, I don't see what Squirrelflight ever saw in you, you'll pay for ruining my life!" Ashfur spat wiping his head around to face a grinning Bramleclaw. Ashfur growled at Bramleclaw, Ashfurs eyes would darkened. Ashfur had only felt anger and broken hearted. "Your father has took away my mother from me then you come in and take away Squirrelflight from me!" Ashfur snarled angry his tail was lashing back and forth his ears where pinned.

"I'll show you tradior!" Bramleclaw growled as leaped onto Ashfur

clawing , Ashfur couldn't see well on that eye but he raked his claws on Bramleclaws belly throwing him off then twisted into the air landing on Bramleclaws shoulder he bit into Bramleclaws shoulder but he was flung off when Bramleclaw kicked up his front legs while slamming them onto the ground again Bramleclaw jumped into the air making Ashfur crash into a tree.

This is not my art I just made it look like Ashfur

[image]

Ashfur was in pain, blood was dripping down from his face and the side of his body. Bramleclaw had ruined his life, Ashfur had struggled to get up only to be pushed back down by Bramleclaw who had his claws on Ashfurs throat ready to kill him. Ashfur was breathing heavily *was he giving up?*

Ashfur clawed at his face making Bramleclaw jumped over to the side but was pushed into the river by Ashfur who was trying to drown Bramleclaw, Ashfur pushed him back down when he tried to get up meanwhile the river would crash into Ashfurs legs Bramleclaw was gonna die Ashfurs hate and anger had turned him into a monster.

"What are you doing!?!" Squirrelflight yelled at Ashfur. Squirrelflight pushed him off from Bramleclaw who jumped up gasping for air. Ashfur had to tell her the truth but he felt only pain. Ashfur had looked around but he soon stopped looking at himself in the river *what has he become...*

...What am I doing?!! Ashfur said to himself looking at the ground... Bramleclaw looked up at Ashfur who was distracted slashed at Ashfurs throat making him fall over gasping for air but half of him was into the river. Ashfur put his paw on his throat to try and stop it but it would still bleed threw his paws. Ashfur looked up to see Squirrelflight who was looking like a scared puppy next to Bramleclaw. *No! no! no!..I'm sorry Squirrelflight please help me...* Ashfur had watched Bramleclaw and Squirrelflight walk away leaving Ashfur to die right after Squirrelflight had meowed "I'm sorry Ashfur but, this is what you deserve." he was horrified with those words filling in his head. ...Squirrelflight.

Ashfur had jolted awake gasping for air he was shaking in fear. He looked over to see Bramleclaw and Squirrelflight curled up together. *It was just a dream...it has to be true she left me there to die.* Ashfur had grew angry and fearful of them.

The cat had watched Ashfur stumbled, he soon fell down into the lake, Ashfurs throat was slashed open, his blood rushed out into the lake. The killer stepped out into the moonlight...*Hollyleaf?!?!* "I'm sorry but you must die I cant let you tell Squirrelflights secret" Hollyleaf meowed with her claws into the dirt, her voice was deep with sorrow but she did what she had to do.

Ashfur was thinking to himself... *This is how I die...alone, angry and sad...why was a born when my life is no good...*

The lake has turned into a red with Ashfurs blood. Waves crashed onto Ashfurs body blood spewed out more.

..."Ashfur is a brave and strong warrior...its not his fault he had only loved to much.." Yellowfang meowed but Bluestar stopped her "Loved to much? he tried to kill Firestar because of rejection!".

"Yes, I agree Bluestar he although Ashfur tried to kill Firestar if we give

him another change he could either move on or let that rejection hold him back, ...but we can only find out if we give him another chance" Tallstar mewed to agree with Yellowfang.

Bluestar signed then went silent. Bluestar then meowed in a stern voice" Well I know how Ashfur feels, BUT I didn't go ahead and kill Sunstar when my kit died or thristleclaw for blaming me for what happened to Snowfur." Bluestar pointed out then thought about it not sure if she should approve.

Oakheart had looked at Tallstar then at Yellowfang " I agree with Tallstar." Oakheart meowed in agreement who now has his eyes on Bluestar.

"If Ashfur doesn't learn from his mistakes who knows what he could do...but I trust oakhearts guts to much so " Bluestar meowed then meowed in agreement to Yellowfangs request.

"Then it is decided" Yellowfang meowed. She soon fading into the spirit world.

A dim light that soon become brighter and brighter, Yellowfang appeared with her silverpelt sparkled with stars. Yellowfang had looked down at the lifeless cat.

Ashfurs body layed down lifeless in the lake, the waves started to slow down but the red was still pouring out but slowly.

Yellowfang appeared beside Ashfur "I hope you learn right and wrong and accept that not everything will go the way you want Ashfur".

"Its is not your time to die yet" Yellowfang whispered to Ashfur who was circling around him, Ashfurs body soon lit up with alittle light, soon after Yellowfang had disappeared.

"Barkface there's a cat something has slit his throat, he's still breathing but he's half way into the river!" A voice yowled in shock.

"Quickly pick him up and take him back to my den Crowfeather!" Barkface ordered Crowfeather, Ashfur heard voices mumbling, Ashfur was picked up by Crowfeather, but he closed his eyes again.

the Windclans leader had walked into the den, "Hello Barkface, I was told you have found a Thunderclan cat?" The leader asked the tom.

"Yes Onestar, we found him in the lake while on a herb patrol, someone has sliced his throat but luckily we got to him just in time he should be ok but the wound was deep he will be here awhile." The dark brown tom meowed.

****2 moons have pasted****

Ashfur had opened his eyes, his body was very weak. But he didn't care he wondered how he was alive someone had killed him didn't they? *I'm alive but Hollyleaf had sliced my throat how...?*

"Oh I see your awake!" a dark brown tom with a gray muzzled mewed.

"huh... Where a-?" Ashfur coughed out blood, the wound was starting to open again.

Barkface turned around quickly. "Don't talk it will only make your wound worse wait till it heals to talk!" Barkface ordered Ashfur

After a few minutes of silence. "I guess you want to know where you are? " The dark brown tom asked Ashfur.

Ashfur nodded, "You are in Windclan I'm Barkface Windclans medicine cat, I'll be right back..." Barkface meowed before he walked out of the medicine den.

Ashfur looked around shuffling his paws nervous, while looking around. *this is much different from Thunderclans med den.*... Ashfur had snapped back when he had seen that Barkface was walking into the den with a small pale tabby after him.

The small tabby had walked up to Ashfur, greeting him, "Hello, I'm Onestar" Onestar meowed in a stern Onestar with his tail swing side to side.

Onestar was about to ask something but he stopped. "I see your a Thunderclan cat am I right?" Onestar asked Ashfur who nodded

then watched Barkface bring some herbs. *What is he doing?!* Ashfur looked at Barkface.

"Don't worry i'm only changing it" Barkface meowed quickly changed his pollution then put a fresh one on to Ashfurs wound.

Oh..., Ashfur let out a deep breath in relief.

"You must rest before we can take you back, in the mean time you must eat" Barkface mumbled from the rabbit in his mouth that was soon dropped at Ashfurs front paws.

Ashfur smiled at Barkface before took big bites out of the rabbit, as if he haven't ate for moons.

"Slow down you will open up your wound again theirs plenty more" Barkface warned Ashfur, who was now taking it slow. Ashfur has finished his meal but looked up to see a cat with a viscous wound on his leg. Barkface walked over to the cat in a fast past then he had started chewing up Dock leaves then licking them onto his would softly after he was done he started to gentle put cobwebs onto the chewed up Dock leaves so they stay putto have the dock leaves stick.

"Leaftail, you should be ok but you must rest, I will tell Onestar that you will be excused from duty's until your leg has healed" Barkface told Leaftail who had his eyes on Ashfur. Leaftail opened his mouth.

The cat then looked at Barkface in shock "But why i'm fine can I help with patrols, I have 3 other legs what's the problem?" The cat protested.

Barkface turned to face the cat then meowed in a calm voice "Leaftail even you know not to argue with a medicine cat".

"His names Leaftail..." Ashfur said inside his head.

"Who is this...they smell like Thunderlcan..." Leaftail meowed sniffing Ashfur, he pulled his paw back when Ashfur had took a swipe at his paw.

"OI, Mittens off" Ashfur warned Leaftail who was smiling. *Why is he*

"Erm...I don't want to go back..." Ashfur meowed to Barkface quietly.

Barkface looked shocked then looked at Onestar. "Why not?" Barkface questioned Ashfur.

Ashfur looked at Leaftail with a smile, Leaftails tail went side to side fast then smiled back with a bright smile "I want to to with my friend and a clan that likes me..." Ashfur meowed to Barkface then looked at Onestar.

Onestar thought about it then replied " It that is what you wish, you may stay you are a brave warrior i'm sure starclan would want us to anyway after all Crowfeather found you". Onestar walked out of the den.

Leaftail rushed into Ashfur knocking him over with joy. "Your really

Ashfur jumped onto his feet, "I cant wait! we can go to are first gathering together" Leaftail mewed but Ashfur stopped. Ashfur looked at Leaftail who turned to looked at Ashfur.

"...I don't really want to see Squirrelflight right now..., maybe next time" Ashfur mewed feeling alittle sad. Leaftail was alittle upset but he understood.

"-Crowfeather, Tornear and Leaftail your on dawn patrol" Ashfoot meowed then turned to Willowclaw, "Willowclaw, Swallowpaw and Harespring and Antpelt your on hunting patrol" Ashfoot meowed.

"Welp, I got to go I'll see you later!" Leaftail smiled at Ashfur then padded to Crowfeather and Tornear who was headed out of the camp. "Wait...for...eee" Leaftails words were fainted.

Ashfur padded up to Ashfoot, "Ashfoot is there anything i'm needed to do?" Ashfur asked Ashfoot who then meowed

"No, Sorry Ashfur next time I will! " Ashfoot promised Ashfur then padded away jumping up onto the rock looking around for anything dangerous.

Ashfur walked into the warriors den to see Dewspot, who paused grooming herself to meow softly "Hello Ashfur". Dewspot then when right back to grooming herself.

"Lets all cats old enough to run thought the moor hear my words!" Onestar yowled

Leaftail was already sitting down when Ashfur sat down stretching his jaw with a big yawn.

"All cats that will like to go to the gathering step up" Onestar yowled watching Crowfeather, Leaftail, Dewspot, Whitetail, Harespring, Willowclaw, Breezepaw, Heatherpaw, Swallowpaw and Sunpaw all step up. Onestar then meowed "Alright then this clan meeting is over!" Onestar then jumped off of the rock and went into

his den

The moon was now full, Onestar walked out of his den and walked out of Windclan camp with everyone after him

Ashfur poked his head out of the warriors den, the moon was full with stars that lit up the night sky. It was time for the gathering, Ashfur padded to Leaftail giving him a smile when Leaftail smiled back Ashfur started to blush as he turned away when Leaftail walked off . *Why am I feeling butterflies in my stomach, Why am I blushing?...erm, its nothing.* Ashfur told himself a million times but he knew it was nothing.

Ashfur seen that he was the only one outside. he sat down looking up at the shinning stars.

At the gathering

"Everyone let this gathering start!" all the leaders yowled will at eyes on them.

Shadowclans leader Blackstar said " Shadowclan is doing great the prey is well and are cats are healthy and strong" Blackstar then meowed in a deep voice "Firestar". Firestar cleared his throat and meowed

"Thunderclans is fine plenty of prey, glad to you Shadowclan are doing better but we sadly have lost one of are warriors, Ashfur...he has been missing for awhile we found blood in the lake with his scent and fur...that is all Leopardstar".

Leopardstar meowed "We are doing wonderful I don't have anything else to say the prey is outstanding and are warriors and elders are doing fine, Onestar".

Onestar sat up more straight and meowed loud "Windclan has been doing fine the prey is great, are warriors are strong and healthy we also have gained one warrior who wanted to keep unknown till he shows up at a gather-" Onestar was cut off by Russfur "Why is he unknown! is there a problem with the cat!" Russfur hissed at Onestar with Shadowclan yowling at Onestar.

"Yes I would like to meet this unknown cat" Firestar flickered his tail side to side.

Riverclan, Thunderclan and Shadowclan warriors all teamed up and started to snarl, growl and yowled at Windclan

"Yeah! he could be a threat or worst!" Rownclaw growled.

"He's not a threat! how dare you will see him when he is ready! you fox dung!" Leaftail snarled at Rownclaw who unleash his claws.

Leaftail has seen Rownclaw unleash his claws, Leaftail growled louder then he did then unleashed his claws ready to attack Rownclaw.

"How dare you!" Oakfur growled who tried to leap onto Leaftail but Leaftail dodged with Rownclaw trying to knock him over but Crowfeather knocked him down before he hit Leaftail

"Have you all forgot the truce that you all have BROKEN!" Barkface yowled with anger "Starclan with be angry! you fox dungs!" Barkface added.

"Barkface is right!" Onestar yowled looking angrily at all the clan leaders.

"Fine, but if that cat doesn't show up next gathering I will come to your camp and find out for myself!" Leopardstar growled with Blackstar saying the same thing.

"You come close to are territory you'll wish you never had! this meeting is over!" Onestar yowled anger we then hopped off of the rock and went back to camp with his clan behind him.

Back at camp

Ashfur heard the clan and poked his head out of the den to see Leaftail bleeding?. *LEAFTAIL!,* Ashfur raced to Leaftail worried. "Are you ok! what happened" Ashfur mewed fast.

"I'm ok, its those dumb Shadowclans Oakfur and Rownclaw tried to attack me, Riverclans will be coming to are camp next gathering if

you don't show up but we wont let them!" Leaftail snarled annoyed. Ashfurs fur prickled up with anger.

"What?!? this is ridiculous they have broken the truce and even worst you got hurt because I didn't go to the gathering!" Ashfur growled angrily. "I will not let this stand by! I'm going to the next gathering" Ashfur meowed.

"You don't have to" Leaftail mewed trying to reason with him but Ashfur wouldn't hear it.

Ashfur then looked at Leaftail then meowed angrily "I will not let Shadowclan get away with this! they will pay for trying to lay their dirty ugly hairy claws on you!". Leaftail blushed seeing how much Ashfur cared for him. Ashfur nudged Leaftail then walked away to speak with Onestar.

Ashfur meowed angrily "Onestar, I want to go to the next gathering". Onestar turned around shock.

"Are you sure you don't have to" Onestar meowed knowing Ashfur didn't want to see Thunderclan yet.

"Yes, Leaftail got hurt because of me" Ashfur meowed.

"Ok if that is what you wish" Onestar meowed then walked into his den.

Ashfur growled *Shadowclan will pay!*, Ashfur walked out of camp with Breezepaw after him. *I will kill them all!,* Ashfur looked at the sky with anger. How could Starclan let this happen! "Hi

"Ashfur" Breezepaw meowed. "Are you ok you seem anger" Breezepaw asked.

"I'm ok its just that Shadowclan loves to break rules, Leaftail had gotten hurt because of me" Ashfur meowed but paused Ashfur smelt the air he calmed down. "Ok..." Breezepaw meowed while getting up to head back into camp.

"Hurry up already!" Breezepaw rushed Leaftail.

"Will you be my mate!" Leaftail meowed quickly as he was sweating.

Ashfur turned red and shot up. "Yes! ofcourse" Ashfur meowed nudging Leaftail with love. Leaftail nudged him back then licked to his forehead.

"I cant wait till the gathering!" Breezepaw meowed.

Leaftail looked at Ashfur as his eyes lowered. "Are you sure you want to do this Ashfur...." Leaftail mewed.

"Yes i'm sure if those cats start anything you get me, I'll be sitting next to Swallowpaw and Willowclaw" Ashfur meowed. Leaftail nodded Ashfur was so caring.

"-Everyone! its time for the gathering" Onestar meowed as Ashfur and Leaftail where behind everyone else.

Ashfur waited for everyone to walk through the bushes, Ashfur walked through the bushes all the Thunderclan cats gasped, "Ashfurs alive!" a cat meowed in shock everyone was whispering about Ashfur.

Ashfur sat down only 8 cats away from Leaftail. Ashfur has eyed Rownclaw and Oakfur as soon as they appeared at the fourtrees.

Rownclaw looked at Leaftail, Rownclaw grinned when Leaftail looked his way. Oakfur was sitting next to him with Snaketail on the other side.

Leaftail ignored it but Leaftail watched Snaketail put his claw into the air near his neck then slashed the air. Leaftail was breathing heavily, Leaftail knew he had to get Ashfur. Leaftail got up and looked at Ashfur then looked at Rownclaw, Rownclaw watched Leaftails ever move.

Ashfur got up with his tail flickering his eyes were lowered he walked over to Leaftail then sat right next to him looking at Rownclaw then Oakfur. "Ashfur...IS ALIVE?!?" Hollyleaf was horrified.

Ashfur had heard Hollyleaf who was staring at him in disbelief, Ashfur had looked at Hollyleaf he dipped his head as he knew she was only trying to protect her family.

"Let this gathering start!" all the clan leaders yowled everyone was quiet and had their eyes on their leaders.

Leopardstar meowed loud "Riverclan is doing just fine, there are no problems prey is great their have been little floods, Firestar" Firestar

cleared his throat

"Thunder clan is doing fine, but the real question is what is Ashfur a "Died" warrior with Windclan, have you stole one of my strongest warriors Onestar?" Firestar hissed at Onestar.

Onestar stood up and spat "How dare you say that! Windclans medicine cat saved your warriors life!" Onestars tail was going side to side with anger. "Yeah! I your clan tried to kill him!" Leaftail stood up and growled at Firestar. Blackstar hissed "If Windclan needs warriors fetch some kittypets or rouges not other clans warriors Onestar".

"You fox dung! Windclan is strong we have plenty or warriors! at least are clan can control themselves unlike your warriors!" Leaftail snarled looking at Rownclaw and Oakfur.

"How dare you!" Oakfur snarled at Leaftail with Rownclaw and Snaketail standing up growling with anger ready to fight.

"Hey! remember this is a gathering you already broken the truce once!" Leafpool snapped at everyone. Leafpool then added "If you have a problem fight elsewhere".

Ashfur stood up looking at Rownclaw and Oakfur as he let out a big growled then looked up at Blackstar with anger. "Control your warriors!" Ashfur snapped.

Blackstar hissed with anger " My warriors can control themselves you fox dung this is not your place to speak!".

Snaketail looked up at his leader, "This gathering is done anyway Shadow clan is fine so isn't Windclan lets leave the fourtrees and fight!" Snaketail hissed looking at Leaftail.

Leaftail snarled at Snaketail, Oakfur and Rownclaw "I'm fine with that!".

"If that's what you 4 wish its up to Onestar if he wants to loose a warrior" Blackstar meowed looking at Onestar with a grin.

Onestar looked at Blackstar with a snarl "My warrior will not fight

your warrior we don't fight unless my warriors are attacked, I know how you are keep your warriors with you when you leave Blackstar!" Onestar jumped off of the rock walking. Firestar sat to talk with his deputy.

"This gathering is over!" Leopardstar yowled. "Firestar may I speak with you" Leopardstar meowed. Firestar turned around and nodded "Yes but fast I want to make sure my old warrior makes it home safe" Firestar meowed.

"I understand next time" Leopardstar meowed.

Firestar jumped up walking out of the bushes his clan to see Windclan and Shadowclan. "Onestar may I talk with you". Onestar nodded and sat down Rownclaw was in the bushes with Snaketail Oakfur next to Blackstar Oakfur was half way in the bush who was grinning.

Rownclaw watched Leaftail swim into the water but little did he know Ashfur kept an eye on Rownclaw, Ashfur had seen Rownclaw leap into the air to try and drown Leaftail, Leaftail looked behind him looking horrified to see Rownclaw coming at him but Ashfur knocked him into a tree Ashfur jamed him hard on the tree then Ashfur then slashed at his eye....blinding Rownclaw, Ashfur had landed onto his paws but Rownclaw fell onto the ground covering his eye with his bloody paw. Leaftail looked around to see Ashfur and Rownclaw

"A blind cat threatens no one!" Ashfur hissed with a grin circling around a blind Rownclaw. "I dare you or your clan would try and touch my mate again!" Ashfur growled slashing at Rownclaws side making him feel more pain, Ashfur then put his claw on his throat. Ashfur could hear everyone's gasp "He blinded Rownclaw a Thunderclan cat meowed in shock followed by a Riverclan cats

"Don't kill him!" Oakfur jumped out of the bush with a a pleading

face along with a angry Blackstar who was eyeing at Ashfur.

Ashfur looked at Onestar he nodded at Ashfur to let him up, Ashfur let him up, Ashfur started to lick the blood off of his claws.

"You blinded one of my warriors! you have NO right to JUMP into a fight that doesn't involve you!" Blackstar hissed at Ashfur getting into his face.

Ashfur growled then snapped his teeth a Blackstar "That is MY mate right there, its not my fault you warrior wanted to try and drown my mate with a sneak attack!, what are your warriors not brave or strong enough for a face-to-face fight!". Ashfur scuffed at Blackstar

"How dare you!" Blackstar went to attack but Firestar stepped infront of Ashfur growling at Blackstar.

"Blackstar, I thought you'd be smarter then to have your warrior challenge a warrior whos in the water. your warrior is now half blind because you cant control your clan, you have broken the truce again don't think we will be nice about this was the second time may starclan punish you and your warriors to show some RESPECT so now you can deal with it! " Firestar hissed at Blackstar then looked at Ashfur dipping his head.

"I see why you wanted to stay, I hope your happy Ashfur, may starclan light your path" Firestar meowed disappearing into the trees with his clan behind him.

Rownclaws eye was bleeding as they swam off into the water then walked into forest enraged and shocked.

"My hero!" Leaftail meowed softly with a lick planted on Ashfurs cheek.

"Lets go home dear" Ashfur meowed to Leaftail.
